

PackshotCreator

Accessories

Mini tripod

In addition to the standard tripod provided for all the PackshotCreator solutions, use the mini tripod to maximize your stability while shooting your products.

The mini tripod can also be directly inserted inside the lightbox for extreme close-ups.

Max. operating height: 10,5 cm
Net weight: 30 g

Black background

The PackshotCreator range, PackshotMacro and PackshotOffice solutions are provided with a white background for side shots.

A black background is also available to fit all your photographic needs.

Transparent product stand

With the transparent acrylic stand, neutralize all cast shadows to obtain a perfect white background for your product photos.

Three sizes available for the PackshotCreator range, PackshotOffice and PackshotMacro.

Available sizes:
24 x 27,5 x 6 cm
35 x 47,5 x 18 cm
28,5 x 35 x 10,5 cm

Articulated arm

With the articulated arm, shoot all your products from an infinite number of different angles. When fixed at the edge of a table, you can even insert the digital camera inside of the lightbox.

Available for the PackshotCreator range, PackshotMacro and PackshotOffice.

Hanging rotation kit

The hanging rotation kit is fixed at the top of the lightbox. It allows you to maintain parts of a product while taking pictures or creating animations with endless rotation thanks to the transparent nylon cable. Available for the PackshotCreator range, PackshotOffice and PackshotA/to.

Hanging rotation system to be fixed at the top of the lightbox

Internal cover for O3T turntable

Avoid cast shadows made by the O3T turntable thanks to the white internal cover. Available for PackshotOffice, the PackshotCreator 360 and 360 HD ranges.

Internal cover to assemble inside the lightbox

Lighting kit

A complete lighting kit ideal for the PackshotSpin solution to benefit from an optimized lighting environment to shoot your products. Available with 2, 4 or 6 lamps (5 400K, 330 W) and a white 1.36 or 2.72 meter backdrop.
